Re:	Proposed Claim Language for Examiner's Amendment		

Examiner Diaz,

Thank you for calling earlier this afternoon in regard to the possibility of an Examiner's Amendment. I was able to contact the folks at Gateway and get authorization for the Amendment. Gateway authorizes the Examiner's Amendment to hasten the prosecution of this application and put the application in condition for allowance. In the event the application is not deemed allowable with the Examiner's Amendment, we reserve the right to rescind the Examiner's Amendment without prejudice or estoppel.

On the next page I have provided a copy of the claim language we discussed earlier, for claim 1. Please amend, by Examiner's Amendment, each of the independent claims in a similar manner. If you would prefer for me to prepare and file such an Amendment, please let me know and I will be glad to do so.

Again, thank you for contacting me with the suggested claim language. In the event you need to reach me for any reason you can either call me at the number below, or alternatively, my cell phone number is (703)965-7228.
